Wir haben das Vergnügen, Ihnen hiermit unseren neuesten Katalog u. unsere neue, ab heute gültige Preisliste mit der ergebenen Bitte zu unterbreiten, selbige einer geneigten Durchsicht gütigst unterziehen zu wollen.

Um unserer verehrten Kundschaft eine noch reichhaltigere Auswahl in allen Arten von Scheren zur Verfügung zu stellen, haben wir eine grössere Anzahl neuer Dessins aufgenommen, die, da selbige bereits von einem Teil unserer Abnehmer mit Erfolg mitgeführt wurden, wohl zweifelsohne allgemein ansprechen werden. Die Preise der Liste sind allerschärfstens kalkuliert - zum Teil reduziert gegen frühere Notierungen - und verstehen sich für eine in allen Teilen besthergestellte Qualitätsware, deren Fabrikation strengstens überwacht wird und die in keiner Weise mit billigeren, angeblich gleichwertigen Erzeugnissen in Vergleich gezogen werden kann. Es ist unser Prinzip, unserer verehrten Kundschaft mit einer immer gleich guten Ware aufzuwarten, womit wir unseren verehrten Abnehmern sicherlich im weitgehendsten Masse dienlich sein können.

Wir halten jederzeit reichhaltiges Lager in allen Arten von Scheren und sind daher in der angenehmen Lage, selbst grössere Aufträge in aller kürzester Zeit zu effectuieren, worauf wir an dieser Stelle besonders hinweisen möchten.

Wir geben ein bis zwei Exemplare unseres Kataloges gratis und behalten uns vor, jedes weitere Musterbuch zum Selbstkostenpreis von zirka Mk. 1.- per Stück in Rechnung zu stellen.

Indem wir um gütige Zuweisung Ihrer sehr geschätzten Aufträge bitten, empfehlen wir uns Ihnen

Hochachtungsvoll u. ergebenst
